Appeal for donations

Please help support Guillaume Diamant-Berger's film :

Lutetia, Souvenirs du retour

Since 2014, Guillaume Diamant-Berger has produced videos of testimonies for our AFMD 75 exhibition : *Lutetia, 1945 – Le retour des déportés*
(*Hotel Lutetia 1945-the Return of deportees*)

Guillaume Diamant-Berger has just completed his own film that lasts 80 minutes : *Lutetia, Souvenirs du retour*.

Lutetia, Memories of returning is not a documentary, but a moving poem with extracts from our *Témoignages* as well as other written texts.

The director revisits his family's story and films Hotel Lutetia being refurbished.

His remarkable team of actors use strong and sensitive words to render what happened here.

The preview of his film at the Mémorial de la Shoah on March 17th 2016, was a great success.

At our board meeting on March 21st 2016, we decided to help promoting *Lutetia, Souvenirs du retour*. The young creator's film is a work of art that enriches our exhibition. We therefore appeal to your generosity.

For any donation you will get a receipt which is tax-deductible.

We thank you in advance for your kind support
